Article 2: Process of Approval for Courses within Departments in the Faculty of Arts

2.1 Before entertaining a motion to approve a FIO for courses within the Faculty of Arts, the representative departmental association must make a recommendation to AUS Legislative Council as determined by a vote among their Executive Committee, coordinating body, or General Assembly.

2.2 To approve any FIO, the representative departmental association’s recommendation must be presented to AUS Legislative Council and must be ratified by a simple majority vote.

2.3. If a decision must be made when AUS Legislative Council is unable to be convened, the AUS Executive Committee must contact the representative departmental association if and when possible for their recommendation. This recommendation can then be ratified by a simple majority of the AUS Executive Committee.

2.4. FIOs for courses taught within departments without representative departmental associations shall be brought directly to AUS Legislative Council for ratification or to the AUS Executive Committee if AUS Legislative Council is unable to be convened.

2.5 The AUS President shall report the outcome of the vote on any and all FIOs to Student Accounts and to the Office of the Deputy Provost (Student Life and Learning).
