

Department of English Undergraduate Student Association (DESA) Departmental Report
AUS Council - January 27th 2016

Most importantly, we've begun making improvements to the DESA office. Hopefully, with support from the AUIF the office will become a more useful and attractive space for students. Prospective professors are giving teaching demonstrations this week and students are invited to various events to meet the candidates. We are also currently receiving submissions to The Channel, our undergraduate journal, and Poetry in Performance.

We met on January 19th, 2016 and hold weekly meetings on Tuesdays at 5:30PM.

Respectfully Submitted,
Kira Smith
