

CSUS Departmental Report

- We are having a panel event given by past interns to provide advice and guidance to students who are seeking internships (especially at TechFair). TR 3120, 22nd Sept from 5:30-7PM
- Our next social event, the Awkward Mixer is happening mid-November. We are in the process of finding a venue and organizing the event.
- We are also scheduled to meet with the Arts Internship Office to see if the creation of a CS Internship course is feasible for students in the Faculty of Arts. No such provisions for Arts CS students seeking an internship currently exists.
- We have set up the CSUS Fund which is intended to financially support students in academic enrichment/professional development conferences. Applications are now open.
- Our VP Academic is currently writing up a guide of 400 & 500-level COMP courses as no such resource is currently available for CS students.
- We are seeking volunteers to join our committees for event planning and other such initiatives and have created a Facebook group for people who are interested.
