Report of Religious Studies Undergraduate Society, AUS Council October 4th, 2016

Any general updates about/changes to the departmental association:

- We will be incorporating with the [B.th](#) Students to broaden our society and adding another panel in the near future.

A review of any past projects or events that have been completed:

- We held a meeting with the [B.th](#) Students Society on further collaborations. It went really well. We are both very small departments so events will be held more efficiently if we organize them together.

A list of projects the association has been working on:

We are currently working on the following upcoming events:

- A [B.th](#) student representative will be selected
- A First year student representative will be selected
- We are going to hold a wine and cheese event on October 19th at Birks (3:30-5:30). **PLEASE COME!**

Our meetings moving forward will now be held each Friday at 1:30 PM.

Respectfully Submitted,
