## **Report of the VP External to AUS Council 08/01/2011**

Happy New Year & welcome back everyone!

### Committees Update

#### ACE – Arts Community Engagement

ACE's pad and tampon drive at the beginning of December was a huge success! We collected quite a bit, thank you to everyone who donated. Their de-stress event during the first week of December was also a success, hopefully some of you were able to enjoy the cookie making and free waffle breakfast. We are currently planning a wine and cheese, and I intend to begin planning for embrACE week starting with our first meeting on 01/12.

#### International Student Affairs Commission

ISAC is planning a wine and cheese for info/promo, this will be coming soon! Our first meeting after break will be later this week, where we will be discussing events held during International week and throughout the semester.

#### Mental Health Commission

MHAUS has finished filming for their video project. We will be putting that together later in the month. We will also be hiring a new Mental Health commissioner, as one has left this semester on exchange. Hiring should be done by the end of this week or next.

#### Sponsorship Committee

The sponsorship coordinators are in the process of contacting potential sponsors.

#### Career Coordinator

Becky, myself, and the career coordinator are finalizing our plans for Work Your B.A., which will be happening in the end of January/beginning of February. The next meeting for

MASEC, the alumni-student engagement council I co-chair, will be in February, and where we will discuss plans for upping student involvement in alumni engagement.

Respectfully Submitted,
