Report of the Vice-President Social Affairs, AUS Council (February 22nd, 2017)

Bar des Arts:

- We are currently working through some new BdA policies with the Leacock building. Once we're done testing, we hope to make a decision and announce any changes to our patrons!
- BdA Tabling Application!!!

EPIC:

- EPIC is solidifying their plans for the semester on both the charity event and the pottery event. I recommend liking their FB page if you want to be in the loop on either!

Grad Ball:

- Grad Ball planning is wrapping up currently. The VP Internal of the SUS and I are talking about what recommendations we have for next year's committee. Dinner confirmations went out on Tuesday and dance confirmations on Friday!

Frosh:

- Frosh planning has started up again and I'm excited to hand off the work to the next VP Social. Currently, frosh applications are up on the Arts Frosh FB page for both leader/o-staff and coordinator. Coordinator applications are due Feb. 28th and leader/o-staff application on March 20th. There were the first ever Orientation Information session webinars this week to make leader/o-staff roles more accessible for all students, and now there is a Brazen event (where I am right now!) to answer any outstanding questions from applicants.
- Arts Frosh Fun Fact: we typically get 500-600 leader applications and almost 300 o-staff applications!

Respectfully Submitted,
Kat Svikhnushin
