Report of AHCSSA, AUS Council April 5th, 2017

General Updates:

- Our Canvas Undergraduate Colloquium & Journal Launch on March 30th went exactly as planned and the room was quickly filled. Four students gave research presentations which were followed by a Wine and Cheese event to celebrate the 16th printed edition of Canvas, our Undergraduate Journal. The responses were positive!

In Review – Past Projects:

- During the weekend of March 24th-26th, 6 exec members and 11 students travelled to Boston to visit several museums including the Isabella Stewart Gardner Museum and the Boston Museum of Fine Arts. It was a success and we hope to organize another trip next year, possibly at a different location.

Upcoming Initiatives:

- Tuesday, April 4th at 4h pm there will be an AHCS Speaker Series: “The Death of the Clinic : Surgical Strikes & Spaces of Exception” by Derek Gregory, Peter Wall Distinguished Professor at UBC. It will be held in the Arts Building, Room W-215.

Respectfully Submitted,
