

## **Motion to Amend the Allocation Decisions of the Arts Student Employment Fund Committee**

**Whereas**, the AUS Legislative Council approved a total of \$16,850.00 in funding for applications to the Arts Student Employment Fund on November 22<sup>nd</sup>, 2017;

**Whereas**, two approved positions were submitted by professors who realized retroactively that they had leftover funds from the now-nonexistent program in which the AUS gave \$5,000 in start-up funding to new professors and no longer require the recently approved funds;

**Whereas**, all ASEF funding decisions must be ratified by AUS Legislative Council;

**Whereas**, the new total approved amount would be \$13,850.00;

**Be it resolved** that the Arts Undergraduate Society Legislative Council amend the funding decision made on November 22<sup>nd</sup>, 2017 to revoke unnecessary funding from Professors Nicholson and Doering, changing the total approved amount to \$13,850.
