

Report of the Department of English Student Association (DESA)

14 March 2018

Past Events

- We welcomed Gerry (!) Butts on Friday the 23rd of February. He spoke about his degrees in English literature.
- After Butts, DESA threw a collaborative event with our grad student counterparts at EGSA entitled “Grad Students are People Too: What to do with a TA in English.”

Upcoming Events

- On Thursday March 15th we will host an open office / talk to the incumbents event to encourage English students to run for DESA executive positions.
- Also in the works are a zine exhibition event, more creative writing workshops, and an introductory video to the Cultural Studies Stream.

Miscellaneous

- Our U1 Rep., Dorothy Poon, is working on a beautiful guide to the English department for prospective students.

Respectfully Submitted,
