

Report of the German Students Association (Mar 14th)

Present

- We are holding/held a wine and cheese on March 13th
- We extended the deadline for submission to our journal Vielfalt to March 18th. If you'd like, submit your work (academic or creative) related to German culture to gsamcgill@gmail.com.

Projects

- Given the recent and fairly drastic changes in the weather (as in snow vs. snow), we are wondering if our potential ice skating outing would still make sense.

Others

- More news are to be expected concerning our Journal launch and the GSA elections for next year, but we'll wait to have more definitive information to share it with the council.

Respectfully Submitted,

MARTIN CROQUEZ
