## Report of the VP Internal, AUS Council February 21th, 2018

### AUS Awards

- Finalizing the budget
- AUS Awards committee wont be assembled until March
  - A few AUS Execs and some dept executives will comprise the committee

### Miscellaneous

- Meeting with the building directors and SEDE representative about gender neutral bathrooms
  - Signage for ones that exist
  - Process of new projects to create new stalls
  - Mcgill regulations apparently are that gender neutral washrooms can only be single stall
  - I'm looking into existing rooms, Savy is looking into costs – we will reconvene with the information

### Personal

- I have been going through a hard time recently with personal things and academics
- I apologize for any late emails as a result
- This week is literal hell for me- things should be better afterwards

### Committees

#### AUsec

- sAUSustainable Leacock
- Free green tea! Feb 23
- <https://www.facebook.com/events/1924982654481842/>

#### FEARC

- Quebec City happened it went well
  - No one was left behind in Quebec City
- Potentially working on a formal with FYC

Respectfully Submitted,  
Rebecca Scarra  
VP Internal
