

**Report of the Quebec Studies Student Association
AUS Legislative Assembly Mar. 28, 2018**

Departmental Updates

- We are working closely with CIREM (Centre for the Interdisciplinary Research of Montreal) at McGill
- We met with City Council Member Stephanie Watt this week to talk about women in municipal politics
- She has agreed to help us to organize an event for the Fall 2018 semester.

Upcoming Events

- On April 3rd we are meeting with Minister Kathleen Weil to discuss the future of the QSSA and how she has experienced provincial and municipal politics. It is a closed event just for the departmental executives but we will probably hold a small meeting afterwards to reflect upon our discussion with her.

President

- President arranged for several films to be rented for the Cine-Club events on Monday mornings in room 100 of CRIEM.
- Attended a research conference in Bridgewater, MA, USA and met with a representative for the Quebec Government in Boston.
- Meeting with Audray of CRIEM
- Meeting with Kathleen Weil
- Met with Stephanie Watt
- Scheduled meeting with Professor Dominique Payette of Laval University; daughter of Quebec feminist, Lise Payette

VP Finance

- Will continue to assess the transparency of the budget and help plan upcoming events for the Fall term.
- Will consider the adoption of a newsletter associated with the Quebec Studies department and the CRIEM.

VP External

- Will be meeting with the President and VP Internal and Audray from CRIEM to talk about the creation of a newsletter

VP Internal

- VP Internal will continue to ensure the smooth functioning of Cine-Club and working directly with our department to increase engagement in our program and association
- Will meet with President, VP Internal and Audray from CRIEM.

VP Events

- VP Events posted flyers for the summer course QCST 336
- Will be starting to contact potential speakers for a conference/lecture in the Fall term
- Will be in contact with other student associations to see if they want to participate also
