Motion to Amend the Constitution of the History Students' Association (HSA)

Whereas having the External & Academic portfolios combined is no longer adequate to meet student needs,

Whereas separating the External & Academic portfolio would allow for more student engagement and representation,

Whereas the current constitution's attendance policy was vague and unrealistic,

Whereas the executive feels thirty signatures is more appropriate than ten to be nominated for election for a department of our size,

Whereas the current constitution has a few responsibilities left unclarified or assigned to the wrong position,

Be it resolved that the Arts Undergraduate Society approve the proposed amendments to the HSA constitution.
