## **Report of the Gender, Sexuality, Feminist, and Social Justice Studies' Students' Association**

### **IGSF and McGill**

- The IGSF hosted the Abortion Beyond Bounds conference, welcoming guests from across Canada to McGill to discuss abortion.
- McGill invited “rockstar” writer Roxane Gay to speak at the sold out Beatty Memorial Lecture. We are thrilled that McGill invited her, and we hope that McGill listens closely to what she had to say, especially regarding changes required at institutional levels. We will be watching to see what changes- if any- McGill makes after this talk. Especially Gay’s concerns regarding the accessibility of university events for Black people outside the academy, and what universities need to do to welcome them.

### **GSFSSA Collective**

- Class representatives have been chosen. Thanks so much to everyone who applied to be a class rep. If a class does not have a class rep, contact us if you would be interested in being considered for the position.
  - GSFS 200: Anna Sixsmith
  - GSFS 250: Meera Ramen
  - GSFS 303: Lucy Wicken

Respectfully Submitted,

Emma Clark and Kyle Stewart
