### **Present**

- We have started our weekly screenings of Babylon Berlin, a German TV series (free popcorn ;) ) Mondays at 5:30 (Sherbrooke 688, Screening room)
- It has replaced one of our previous weekly events, Kaffeestunde (conversation hour at Java U). Conversations hours are still happening through Stammtisch though.

### **Projects**

- We're taking part in an apartment crawl in collaboration with the Italian and Hispanic Studies associations, happening on November 9<sup>th</sup>.
- Still looking for editors for our department journal Vielfalt

Respectfully Submitted,
