

Report of McGill Environment Students' Society
Sunday, February 10th, 2019

Event Reports

- Clothing:
 - All of our clothing items were handed out and we love how the new logo looks on the pieces!

Upcoming Events

- ENVR Domain Fair:
 - On March 19th, MESS is hosting a domain fair in LEA232 where first-year students can meet students currently enrolled in all 11 ENVR domains so they can learn which stream they are most interested in.
- Prof Talks:
 - On Monday, February 11th we are hosting our second 'Prof Talks' event of the school year in Ecole with Prof. Lavat and Prof. Vaccaro.
- MSE 20th Anniversary:
 - The McGill School of Environment and MESS turn 20 this year!
 - To celebrate we are hosting a semi-formal at a location TBD in late March.

General Updates

- Trying to collab with MBSU to organize a clothing drive to promote sustainable fashion practices.
