

Hello AUS,

THE CSUS HEREBY REPORTS THE FOLLOWING:

- 1) The CSUS CRO has been selected as the current VP Arts of the CSUS (me, Ananya Vijay). The elections have the following timeline:

The CSUS Executive Election for the 2019-2020 governing year, is as follows:

March 14th: Open Meeting and Information Session

CSUS will have an open meeting on March 12th at 6:30PM in Trottier 3090. All interested applicants are encouraged to attend and ask questions to the current executives as well as learn more about the election process. Afterwards, interested candidates and welcome to stay and observe a council meeting to get a better idea of the role.

March 11rd – March 18th: Nomination period

The CRO will validate that all signatures obtained on the aforementioned form were obtained from students currently enrolled in a Computer Science/Software Engineering program in the Faculty of Science, Faculty of Arts, or Faculty of Arts and Science. It is suggested the applicants get more than 10 signatures should any of them be invalidated. Simply print a second nomination form and gather extra signatures. Applicants should review the constitution as well as the exit reports to ensure they are comfortable with the roles and responsibilities of the position they are considering.

March 24th – March 29th: Campaign period

Candidates may begin campaigning only after the deadline for nomination form submissions has passed and their nomination has been confirmed by the CRO. The campaign period runs from the 24th of March until the 29th of March at 11PM. Candidates may spend up to 50CAD on their campaign, subject to reimbursement under the CSUS Bylaws art. B(B.2)(6).

March 30th – March 31st: Voting period

Voting will begin at noon (12:00 pm) on March 27th and may continue to until March 29th at noon. Candidates may not campaign during polling.

- 2) Clothing sale orders have been made and on the way and arriving next week
- 3) Awkward Semiformal happened at St Jax church on March 15, 2019
 - a. It was a success except for flags from the church were stolen! (we recovered them)
 - b. Open bar was a great idea!
- 4) We are having a Meet Your Major and Meet Your Extracurricular event targeted towards U0,U1, and U2 Comp Sci students.

Thanks,

Ananya Vijay
