Report of East Asian Studies Students' Association

General Update

- We were finally able to hold a meeting on Friday October 25th, there are quite a few changes happening as result of this meeting
- Due to personal reasons, one of our co-president is taking a break from school and is no longer at McGill.
 - Mariel Boden is now our only president for this academic year
 - We are currently trying to figure out how to go about hiring a new VP Finance, as our finances used to be handled by the co-president
- We are no longer doing the Language Buddy program, as it is taking too much to organize and we don't have enough time (and probably people) on hand to do that.
- For this semester we will keep focusing on trying to consolidate EASSA's communication platforms:
 - Mariel is contacting last year's team to find out how to access the EASSA website
 - Currently there are three (3) different websites, so we will be working on combining them into one and have all contact information plus course offering information updated
 - Mariel is trying to find out how to add the execs as admins to EASSA's Facebook page as well
- We also discussed details for our merch
 - I've emailed AUS VP services to find out more information about the contact for ordering sweatshirts
 - We are keeping the same logo design as last year but the lettering will be a bit different. Instead of the acronym "EASSA", we'd like to have the department's full name written.

- I have contacted one of the AUS graphic designers a few weeks ago and will be sending our logo once I get a digital file of it
- This will be our only project / event the semester
- In regards to events, we won't be holding any of the previous proposed events
 - Due to the co-president's departure, we no longer have a contact with SocieTea
 - The Language Exchange is cancelled as mentioned above
- VP internal, Hazel, is working on getting Listservs out
- Next meeting will be held on November 8th
