

JSSA Report October 30th 2019,

- JSSA just started this year's Jewish language tutoring! We are offering free tutoring in both Yiddish and Hebrew every week with students from the Jewish Studies Department
- On Thursday, October 17, the Jewish Studies Student's Association collaborated with Am McGill, Hillel McGill, Jewish Experience Downtown, and the McGill Chavurah to bring the Open Air Sukkah to the McGill Jewish community, offering food and beverages. Unfortunately, it was raining and had to be held in Arts 160, but fun was still had by all and bagels were still eaten!
- The Jewish holidays are finally over! Now the JSSA can get hard to work offering fun, meaningful, and educational content to the students of the Jewish Studies Department!

Respectfully submitted,
Ben Markbreiter
JSSA VP External
