

**Report for the Russian Undergraduate Students Association (RUSS)
Submitted January 11th 2021**

Russian Help Desk, Russian Movie Nights, and Conversation Club are all being organized to resume this semester as they functioned last semester, beginning after add-drop period ends.

Work on the Russian Undergraduate Journal is underway, and is set to publish digitally this year as per usual.

From last semester, we had great success with our virtual Russian Evening with both professor and student turnout and participation.

Respectfully submitted,
Kim Lefort, VP External of RUSS
