

BASIC UPDATE FOR AUS LEGISLATIVE COUNCIL

- Nothing new to report.
- Upcoming events for the semester (already reported):
 - **National Integrative Research Conference will be held on March 25th:** Research submissions are now open. All students, from all universities, are welcome to apply to present interdisciplinary research. It's a fantastic opportunity to share your work with peers, professors, and judges. There will also be a prize for the best presentation!
 - **Darwin Day Semi Formal with Biology in February:** We've been hosting this event for years and it's always a fun time! Stay tuned.
 - **Live Music Pub Night for Moisson Montreal in March 21st:** I have organized a new event for BASiC this year! We will be hosting a donate-what-you-can event at BDP where we have a live band performing and all students can come and have a good time. All proceeds will be going to Moisson Montreal, the world's largest food bank delivering foodstuffs to communities across the island of Montreal.
- This semester's office hours have been posted:

	Monday	Tuesday	Wednesday	Thursday	Friday
8-9					
9-10
